Thank you

We would like to thank the congregation for the cards and calls we received with the passing of our brother and brother-in-law, Wilmar

~Dennis & Darla Wynia

~Ann Wynia

We want to thank your church for the financial support you have given to us again these past months. Thank you, too, for the prayer support and encouragement we've received from you. Our online training continues to include more and more national media technicians from many countries around the world bringing God's Word through media. Thank you for the part you play in this ministry and for blessing us.
